

Wholesale Nursery Outside Sales

Loen Nursery is a 300-acre wholesale facility that is committed to providing a large, year-round selection of high-quality plant materials for landscape professionals and the nursery industry. Located in Woodburn, Oregon, Loen Nursery offers extensive inventory, including specimens, hard-to-find items, traditional and contemporary favorites. The company is a one-stop-shopping destination featuring broadleaf and deciduous shrubs, conifers, evergreen azaleas, ferns, flowering trees, fruit trees, grasses, ground covers, Japanese Maples, perennials, rhododendrons, roses, shade trees, specimen vines. Our company also offers full landscaping quotes, brokerage services, and contract growing, as well as delivery and shipping arrangements.
